## Level 2 Award in Emergency First Aid at Work

This course is aimed at those who act as an emergency first aider within the workplace. This would not qualify them for the 3 day first aid at work but would give enough knowledge to provide first aid until fully trained responders arrive on scene. The one day covers the following topics;

- Roles and responsibilities of a first aider
- How to assess an incident
- How to manage an unresponsive breathing/unbreathing casualty
- How to manage a choking casualty
- How to manage bleeding
- How to manage a casualty in shock
- How to respond to minor injuries
- Cardiopulmonary resuscitation (CPR)
- First aid kit

### Eligibility

There is no age limit for this course however a good level of understanding and writing English is expected.

### Delivery

**Duration:** 1 day

**Assessment:** Combination of practical demonstration of competence in emergency first aid procedures and a test of underpinning knowledge through verbal questioning or written assessment.

**Valid:** 3 years

This qualification must be renewed following 3 years to continue qualifying as an Emergency First Aider.

### Progression Opportunities

- Level 3 First Aid at Work
- Level 3 Paediatric First Aid
